- open source confluence tool
- http://cl-informatik.uibk.ac.at/software/csi/

Features

CSI

- confluence tool for first-order term rewriting
- redundant rules[new]
- certified rule labeling[new]

Features

CSI

- confluence tool for first-order term rewriting
- redundant rules[new]
- certified rule labeling[new]

CSIˆho[new]

- confluence tool for pattern rewrite systems
- development closedness
- Knuth-Bendix
- termination: HORPO, dependency pairs. . .
