NaTT in CoCo

- NaTT a **termination prover** for **plain** term rewriting
- In CoCo 2021:
 - participated **INF** category with an easy checker [[Sternagel & Yamada '19](#)]
 - weak but fast
- In CoCo 2022:
 - **coWPO** for INF [[IJCAR '22](#)]
 - not too weak, but slow
- In CoCo 2024:
 - no time for research...
 - only adapted parser for ARI
